

# CallXpress® ET-2000 R3 Level 4 Server

## DATASHEET

### Best Combination of Performance and Affordability in a Mid-Tower Server

The CallXpress ET-2000 R3 Level 4 mid-tower server delivers next generation performance with superior quality and reliability in a powerful Intel® 2.13 GHz Core™2 Duo processor. The ET-2000 server is ideal for small to mid-size organizations needing the dependability, flexibility, and affordability demanded by their telephony application. Built for high-performance and dependability, the ET-2000 server is rock-solid for even the most complex business needs.

#### Features and Benefits:

- Intel 2.13 GHz Core 2 Duo Processor provides blazing performance while remaining price sensitive
- Built-in RAID functionality improves reliability and redundancy
- Thermal-Advantaged-Cooling enclosure as well as one intake and exhaust fan ensures optimal temperature control for cooling high-end telephony cards
- Versatile server supporting both PCI-X and PCI-E slots

#### Supported Applications:

- Voice Mail
- Automated Attendant
- Unified Messaging
- Interactive Voice Response
- Speech Server
- RightFax®
- Digital Networking Master

#### Configurations

The CallXpress ET-2000 server is a mid-tower server for small to medium-sized configurations, with full-length PCI-X slots and PCI-E slots supporting a maximum of three total PCI-X and PCI-E telephony boards in a single server.

<b>CallXpress ET-2000 R3 Level 4 Server Specifications</b>	
CallXpress Ports	4-48 CallXpress UM/AM
Speech Ports	4-12 CallXpress Speech
Chassis	Mid-tower
Processor	Intel 2.13 GHz Core 2 Duo
PCI-X and PCI-E Slot	Four PCI-X Slots and Two PCI-E Slots, supporting a maximum of three total PCI-X and PCI-E telephony boards in a single server
Operating System	Windows Server 2003 for Telecommunications Systems
Memory Slot/Type	(4) DDR2*
Memory	1 GB total: (2) 512 MB DDR2-667
Hard Drive	(2) 250GB SATA

RAID Controller	On-board Intel SATA RAID 0,1,5
RAID	(2) RAID 1
NIC	Dual GB NIC
Power Supply	(1) 460W AC ATX
Video	Yes
ROM Drive	DVD-ROM/CD-RW
USB ports	2 front, 2 back
Floppy Drive	1.44 MB
Remote SW	PC Anywhere 12
Modem	Optional 56K External
Serial Port	(1)DB9
Warranty	1-Year 24 X 7 Support
Monitor	Not included

\* DDR2 DIMMS must be added in pairs
